

VFW Post 369 and Auxiliary Officers, members, and families met this past Friday evening to celebrate the winners of this year's Voice of Democracy entrants. Once again, the selection process was extremely difficult due to all the great essays we received...we are extremely thankful to all students who participated.

Each of our winners (Caleb L. - 3rd place, Josie F. - 2nd place, and Madalynn T. - 1st place) were afforded the opportunity to share their essays, which were met with tremendous applause.

After the presentation of awards (personalized plaques, medals and substantial cash awards), we all enjoyed pizza, soft drinks and commentary. Post 369, it's Auxiliary, and the Mexico, NY community are so very proud of each of you and encouraged by your understanding and devotion to American Democracy.
